Description

Due to the robust construction and weight, our Stainless Steel Cart styles are priced with HD Caster and 6" RED Tires.

- An option is available to downgrade to our 5" standard nylon tire.
- An option is available to upgrade to a 6" NSF GRAY
- Also both RED and GRAY are available in 8" size, simply the larger the easier to move.

For cart systems, a NSF tire package upgrade to GRAY will need to be purchased to become NSF Certified.
