Description

The Paella setup... one of our newest additions is welded into the framework of our V-channel bracket support braces for our Santa Maria and Argentine grills. Simply lift off the grates, and drop in the pan. Convert back to an all V-channel setup simply by removing the pan and replacing with the grates. Versatile, designed to create flavorful dishes at your pit.

SHOWN ON 36" SANTA MARIA WITH WINDBREAK

For 30", 36" & 48" grills with a 24" depth.
